

GOUDHURST SCOUT GROUP 100 CLUB

For the price of £12 you can buy a number for a year, though of course you can have as many numbers as you like. Once a month, we will draw a number and you could be a winner! 50% of all money received for the month will be in the prize pot, the other 50% will go towards our fundraising for our Scout group. Therefore, if we get up to 100 members, the prize will be £50 each month. Each month you will be in with a chance of winning some money and will be supporting us at the same time.

For more information, check on our Scout group please visit our website:
